The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
1036 Longworth HOB
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the **Crawford Drainage Basin Improvements** in Fiscal Year 2026. The entity to receive funding for this project is the **Village of Bronxville** located at **200 Pondfield Road, Bronxville, NY 10708**.

This funding would be used for the construction of open stormwater channels, retention areas, and a new underground stormwater pipe to reduce recurrent flooding in residential neighborhoods and around a local elementary school. The project is an appropriate use of taxpayer funds to reduce flood risk, promote extreme weather resilience, and prevent disaster-related costs.

The project has a federal nexus because the funding provided is consistent with purposes authorized in Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

George Latimer
Member of Congress
