The Honorable Tom Cole
Chairman
Committee on Appropriations
H-305, the Capitol

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
1036 Longworth HOB
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the **Hastings-on-Hudson Stormwater Management Project** in Fiscal Year 2026. The entity to receive funding for this project is the **Village of Hastings-on-Hudson** located at **7 Maple Avenue, Hastings-on-Hudson, NY 10706**.

This funding would be used to reduce repetitive flooding and improve water quality in the Saw Mill River. The project is an appropriate use of taxpayer funds because Hastings-on-Hudson has become highly prone to floods, incurring millions of dollars in damage with recent increases in storm intensity.

The project has a federal nexus because the funding provided is consistent with purposes authorized in Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

George Latimer
Member of Congress
