I am requesting funding for the **Tuckahoe Depot Square & Main Street Signal Improvement Project** in Fiscal Year 2026. The funding would be used for transforming Depot Square in the Village and surround areas with updated street scape improvements; sidewalks, stamped concrete, trees, light poles, etc. and upgrade traffic signal improvements in and around the central business corridor near the Tuckahoe MNR train station. The project is an appropriate use of taxpayer funds because the upgrades to Depot Square will provide much-needed, comfortable and inviting public space for our over 7,000 residents in one New York's densest villages.

The project has a federal nexus because the funding provided is for purposes authorized by the project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,
