The Honorable Tom Cole
Chairman

H-305, the Capitol

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
1036 Longworth HOB
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the **Warburton Avenue Slope Stabilization Project** in Fiscal Year 2026. The entity to receive funding for this project is **the City of Yonkers** located **40 S Broadway, Yonkers, NY 10701**.

The funding would be used to stabilize the steep hillside west of Warburton Avenue above the Metro North commuter railroad. The project is an appropriate use of taxpayer funds because completing this project will mitigate the recurrence of mudslides and avert railroad blockages as have recurred in this area over the past several years.

The project has a federal nexus because the funding provided is for purposes authorized by the Stafford Act (42 U.S.C. § 5133(a),(h)(2)).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

George Latimer
Member of Congress
